bly brutaed and has sustained severe internal injuries.

The Florence, A. T. Tribune says The Fier acc. A. T. Tribune says:
The railroad news continues to be
very encouraging. There is now little
doubt that the Rock Island road in
back of the Aris on Central and that
work will begin soon in order to take
advantage of the ton react tax excompton act passed by the less logislature, to the context of grades and
local business the road from Benson
by the way of Mammoth, the cost
lattice, K. Lyin, Floronce and Physics
LORDSBURG. telds, Kelvin, Florence and Phoesis, a ideal, and the only wonder is that if has not been made a transcontinental route long before.

The Santa Fe Railway company has issued very nearly printed and attractive pamphiets in German and Italian upon the resources of the country through which its lines pass. New Mexico is well treated in the write-up and the pamphlets should be the comotive and entered the employ of to this territory. The Italian pam the Golden Hell Mining company at phlet especially is well written and the only fault to find with the German pumphlet is its stilted and ungrammatical language, but it will serve its purpose well nevertheless in adverthing the resources of the great southwest.

The White Onks Engle ways: Wednesday, Justice Callier heard the teamster on the Rock Island exten-sion, against Sub-Contractor Nelson, for waxes claimed to be due. It apared that Hransford had been die imrged for some breach of the camp ntes, and payment of wages due wer enied, on the ground that he had old water, which was charged against irm. No proof of this, however, was on the facts presented by the plaintiff and admitted by the defendant, the notice decided the case in Bransford'

HIS LIFE A FAILURE.
